

Joint Venture Marketing

What It Can Do for Your Business

JV and Affiliate Marketing, also called Partner or Performance Marketing, is the most cost-effective, low-risk strategy available for companies seeking high ROI from their marketing budgets.

While most companies are **spinning their wheels** with SEO and social media...the companies that understand how to turn the old "affiliate" marketing model into a high-volume "Joint Venture" model are **CRANKING OUT** the optins and conversions.

For information marketers, entrepreneurs and subject-matter experts, JV and Affiliate Marketing is a game changer!

LaunchMoxie is the leading JV Marketing agency serving self-improvement, health, wellness, relationships and business startups.

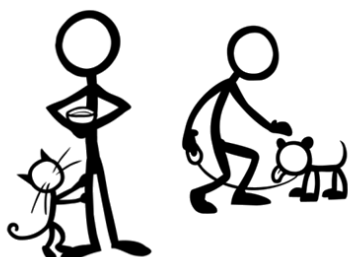

Joint Venture Marketing Combines...

Performance-Based Marketing

Where you pay commissions (or payout) to your affiliates for actual sales they make.

LaunchMoxie helps develop affiliate campaigns including finding you new partners.

Reciprocal Marketing

Where your partners promote your products in exchange for you promoting theirs.

LaunchMoxie provides a network of reciprocal promotion opportunities, plus special events and reciprocation balancing.

Partnership Aggregation

Where several partners come together to create a marketing opportunity in which they share the rewards.

LaunchMoxie has the strategies, partners and systems to execute these Joint Venture partnerships.
